The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL TO EXTEND A NO-COST TIME EXTENSION FOR FISCAL YEAR (FY)  
2006-07 WORKFORCE INVESTMENT ACT (WIA) ADULT SPECIAL NEEDS  
PROGRAM CONTRACTS  
(ALL SUPERVISORIAL DISTRICTS) (3-VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

Authorize the Director of Community and Senior Services (CSS), or designee, to execute contract amendments, in substantially similar form to Attachment A, with the current ten (10) service providers listed in Attachment B, for a no-cost, time-only extension for an additional three (3) months, effective July 1, 2007 to September 30, 2007, for the continued provision of the Adult Special Needs program.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

CSS is in the process of finalizing the FY 2007-08 Request for Proposal (RFP). CSS is requesting an additional three (3) months extension to complete the solicitation process and to properly procure WIA Adult Special Needs service providers for FY 2007-08.

The recommended action will allow CSS to continue administering the WIA Adult Special Needs program until new contractors are selected through the competitive bid process for FY 2007-08. CSS expects to release the RFP in April 2007 for the selection of new providers for FY 2007-08. CSS has obtained approval from the State of California Employment Development Department (EDD) to extend current WIA Special

Needs contracts for three (3) additional months to allow for the completion of the Request for Proposal to procure qualified bidders for FY 2007-08.

### **FISCAL IMPACT/FINANCING**

There is no impact on the County General Funds as the WIA Adult Special Needs program is fully financed by the WIA Adult funding, and no additional funds will be distributed to the service providers for the time-only extension. Funding is included in the department's FY 2006-07 Amended Budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

CSS conducted an open competitive Request for Proposal (RFP) process in September 2002 for a three-year funding period. The Adult Special Needs providers listed in Attachment B were selected as a result of the RFP process. On June 14, 2005, your Board approved the extension of the contracts for an additional one year for the development of an RFP, which was anticipated for issuance during FY 2005-06.

Due to the department's re-organization, CSS requested an additional one-year extension to complete the RFP process in FY 2006-07, which your Board approved on June 20, 2006. The current Adult Special Needs funding cycle is due to expire on June 30, 2007.

CSS is in the process of finalizing the solicitation process. The time extension will allow CSS sufficient time to properly procure new contractors for the continuation of the Adult Special Needs Program until the new contracts are awarded.

### **CONTRACTING PROCESS**

The contractors recommended for funding were successful in the RFP process conducted by CSS in September 2002.

The current three-year funding cycle expired at the conclusion of FY 2005-06. Your Board previously approved an extension on the existing contracts for one year, which expired on June 30, 2006. On June 20, 2006, your Board approved an additional one-year extension of the existing Special Needs services contract to allow CSS time to properly procure WIA Special Needs contractors for FY 2007-08. The additional three-month time extension will allow CSS to complete the solicitation process to procure new contractors in FY 2007-08.

### **Monitoring Requirement**

Beginning with FY 2003-04, CSS contracted with the Auditor-Controller's office to conduct fiscal and contract compliance monitoring of all of its contractors within the Workforce Development Branch. CSS is responsible for ensuring, through its resolution

process, that the reported monitoring findings are resolved and training is provided to our contractors, if necessary, and/or program policies are developed.

Attachment C provides information about each contractor's status with regard to minority- and women-owned business enterprises.

**IMPACT ON CURRENT SERVICES**

The ten (10) WIA Adult Special Needs service providers are currently providing Core, Intensive, and Training Services. The recommended actions will enable the continuation of current services and will assure seamless delivery of services to clients.

Respectfully submitted,

  
CYNTHIA D. BANKS  
Director
